1. Since our China based factory closes at 19:00pm (GMT+8), orders placed after 10:30am (UK time) will be processed with an order date for the following business day.

2. Only working days can be counted as lead time. The days highlighted with green are weekend and the yellow highlighted dates are UK holidays.

3. Not like most other competitors, Quick-teck treat the lead time as the manufacturing + shipping time, not just manufacturing period.

4. Before some long holidays of China(Labor Day(1st May), Nation Day(1st Oct), Chinese New Year Festival(normally middle of Jan to Feb), factory closure arrangement notice will be posted on the main page of the website.

5. Quick-teck keep the right to revise this calendar due to circumstances in the UK and China factory.
